Boys & Girls Club of Story County is...

Connections... We are a non-profit youth development facility designed with kid's interests in mind. The many programs and activities of the Boys & Girls Clubs of America are represented within our Club for Story County youth.

Resources... Our 46 years of youth development experience is possible by the great resources from our community of Story County. Our resources able us to have affordable membership fees of:

- o \$12.00 per school year. That's nine months a year for only \$12.00.
- o \$35.00 per summer months. That's three months, nine and a half hours a day; lunch provided and operated through a government program for only \$35.00.

Our membership fees are intentionally low to encourage our entire community of youth to join.

Results... Boys & Girls Club of Story County is built with trained professionals who offer carefully designed, age appropriate programming. The Youth Development Strategy is a disciplined programming plan provided for our community youth between the ages of 7 to 18, and between the hours of:

- o 3 p.m. to 8 p.m., Monday through Friday during the school year.
- o 8 a.m. to 5:30 p.m., Monday through Friday during the summer months.

Mission... Boys & Girls Club of Story County's mission is to inspire and enable the youth of Story County to reach their full potential as productive, responsible and caring citizens.
